III. REGULATIONS

Basics

The Mecklenburger Seen Runde is held under the regulations of the enclosed General Terms and Conditions, the general regulations as well as the general information for all participants.

The regulations are published on the website. Information for the participants are made available upon accreditation.

By registering for the event, the participant recognises all provisions.

We strongly recommend all participants to be familiar with the regulations early enough.

Prerequisite for Participation

The Mecklenburger Seen Runde (300 km) is open for all cyclists, who have reached the age of 19.

No club membership is required to participate.

By participating, each rider commits to check medical requirements, if necessary with a doctor, and to prove a sufficient state of health.

Prior to Mecklenburger Seen Runde, a training workload of 1.000 kilometres on bike is recommended, including some rides of 100-130 km.

Minimum Age

The Mecklenburger Seen Runde (300 km) is open for all cyclists, who have reached the age of 18.

In exceptional cases, participation can be permitted for participants at the age of 16. Written consent by the legal guardian and by the organizer needs to be presented.

Please send the written registration along with the written consent to:

Riding Regulations

The Mecklenburger Seen Runde takes place on public roads. Roads are not closed for the event. Road traffic regulations have to be observed in full and with no exception.

In particular, participants are obliged to follow the rules of keeping to the right side of the road and stopping restrictions on traffic lights and railroad crossings.

Participants must expect oncoming traffic and overtaking vehicles at any time.

Each participant shall behave in such a way that no one else is endangered or injured.

Emergency vehicles with special signals have priority.

All orders and instructions of the event management and its representatives must be observed unconditionally by the participant.

The organiser has the right to disqualify participants violating these regulations in any way.

Further, the organiser has the right to disqualify participants in the event of evidently passing the checkpoints no longer timely.

Dumping litter and drinking bottles is prohibited. Any violation of littering regulations leads to immediate disqualification from the event.

Support vehicles are not permitted in the race.

Timekeeping

The Mecklenburger Seen Runde is a cycle marathon without ranking list and without assessment.

However, real-time timekeeping is available via a disposable transponder, which all participants receive at the accreditation with their race pack.

Timekeeping is realised by our partner:

Tollense-Timing

Thomas Rost

Ludwig-van-Beethoven-Ring 8

17033 Neubrandenburg

Mail: info@tollense-timing.de

Website: www.tollense-timing.de

Time is measured at the start and finish line as well as at least at one check point on the route via radio signal.

All participants can access their personal race time online at the website of the organiser.

Bib Number

Participants receive their race number at accreditation on presentation of their registration confirmation and a photo identification.

The race number of the handlebars includes a transponder for timekeeping. Two cable ties fix the number at the handlebars.

The race number at the handlebars shall also help the photo service to identify the pictures of the participants. Please fasten the race number tightly and place it legible.

The race number for the jersey is pinned on the back of the shirt at the level of the pockets.

Start / Start Time and Collection of Race Pack

Each participant receives a race number at the accreditation. The allocation cannot be reversed.

For an extra fee of 15 Euro, participants can change the allocated starting time, if the desired starting block is not fully booked.

The start is located in the Culture Park of Neubrandenburg.

Participants obtain the race pack in the start and finish area on

Friday, 24th May 2019, 12:00 to 22:00

and on

Saturday, 25th May 2019, 02:30 to 07:00

by showing the official confirmation.

If the race pack is picked-up by a third person, written authorisation must be submitted.

On Friday, 24th May 2019, the start is open between

20:00 and 22:00.

On Saturday, 25th May 2016, the start is open between

03:00 and 07:00.

The finish, located in the Culture Park of Neubrandenburg as well, is open until

Saturday, 25th May 2019, 24:00.

Starting Phase

To ensure a smooth start for all starters, participants are asked to gather in the starting area 30 minutes before the assigned starting time.

In the starting area, we provide repair services on the bicycle. Further, restrooms are also located there.

Participants are asked to line up at the starting point ten minutes before the start. If you are on the road in the dark, guards will check the lighting on the bicycle for functioning. Further, they will check, if all participants observe the requirement to wear a helmet.

Each starting block is escorted to the town exit of Neubrandenburg. Please stay behind the leading vehicle.

Average speed

To participate in Mecklenburger Seen Runde, no minimum average speed is required.

Participants, who do not reach the finish within the time limit of Saturday, 25th May 2019 – 24:00 may use the free shuttle service to get back to the start and finish area. The same applies to participants, who have to finish the race early due to other reasons.

Further information on the shuttle service will be provided in the race pack.

Participants, who wish to finish the circuit beyond the official time limit, are obliged to return the race number due to liability reasons. Afterwards, they continue the race beyond the applicable rules and regulations of the Mecklenburger Seen Runde.

Finish

The organiser explicitly asks to avoid dangerous driving manoeuvres at the finish to prevent falls.

After the finish, participants are encouraged to leave the finish area promptly in order to prevent collisions.

Medal and Certificate

Each participant finishing the tour within the time limit receives a medal, which is presented on arrival at the finish line.

Further, participants may access, download and print the personal certificate from the event's website.

Requirement to wear a Helmet

During Mecklenburger Seen Runde helmets shall be worn unexceptionally!

The helmet shall be labelled with a seal of approval of an international accredited testing institute (e.g. DIN-Norm 33954, SNEL- und/oder ANSI-Norm, EC oder GS).

Garments

There are no explicit rules for the type of garment. However, clothing shall not increase the security risk. Participants are not allowed to ride topless.

Weather conditions are usually spring-like and pleasant by the end of May. However, we recommend participant to equip with garments that protects from low temperature, wind, and rain.

Equipment and Accessory

Every technically fully intact bicycle is permitted in Mecklenburger Seen Runde.

E-bikes are not permitted in MSR 300.

Recumbent bicycles and handcycles are permitted as long as they are equipped with a pennant on a pennant pole of at least 160 cm and comply with German road traffic regulations (StVO).

Recumbent bicycles and handcycles starting on Friday night, are constrained to install a flag light.

Recumbent bicycles are asked to line up at the rear end of the starting block due to reasons of security.

Multi-track bicycles, excluding hand bikes, are explicitly expelled.

Fixed-gear bicycles are only permitted, if a freehub and two independent breaks are installed.

For reasons of safety, the following hang-on parts are not permitted:

- disc wheels at front / back
- triathlon delta handlebars
- drinking bottles made of glass or other fragile materials
- cycle trailers of all kinds

Participants, driving in the dark are under the obligation to install sufficient lighting equipment on the bicycle according to road traffic regulations.

The equipment of the bicycles with lighting is strongly inspected at the start.

Please note:

All bicycles are inspected for compliance with technical specifications.

Participants starting on Friday night need to present intact lighting and reflectors (1x white reflector at the front, 1x red reflector on the back) in accordance with the German road traffic regulations due to reasons of safety in public road traffic and due to safety of the participant.

Participants will not be allowed to start the race without intact lighting and without reflectors and until lighting is fully installed and ready to use.

Participants who finish MSR on Saturday night in the dark are also obliged to have sufficient and conformable to law lighting on their bicycles. Noncompliance leads to disqualification.

Handlebar extensions are only permitted when they not wider than the brake levers. Participant using handlebar extensions who do not comply with the standard will not be permitted in the race.
